19. Requirements

Problem: To develop adequate arrangements for providing coordinated requirements by priority for the various collection units, particularly with respect to covert collection.

Status: JCS Paper No. SM-626-51 containing G-2, ONI, and A-2 requirements (mainly for covert collection) has been screened for possible collection by other than covert means. The balance will now be analyzed for priority handling. The State Department has prepared targets of primary interest to it for correlation with the JCS paper as may be necessary or useful.
